

January

Author Study

This month we will be reading stories written and illustrated by the author, Jan Brett. We will be discussing the similarities and differences within the books, and we will be discussing what makes her illustrations so unique.

Monthly Focus

This month we will be learning all about Arctic Animals and the basic needs of animals. We will be talking about migration, hibernation, and adaptation. We will also be celebrating Martin Luther King Jr. and learning about this important historical figure. At the end of the month, we will be studying scientific properties. The students will be able to explain the three kinds of matter- solids, liquids, and gases.

Important Dates:

5- No School- Professional Development Day

19- MLK Day- No School

Wish List:

- Clorox Wipes
- Snacks (Microwave Popcorn, Goldfish, Cheez Its)

Classroom Reminders:

Now that we are almost halfway through our school year, we will be encouraging the students to open up their breakfast and lunch items on their own before asking for assistance. This will help them become more independent during mealtimes.
