

Our Turkey Trouble Project!

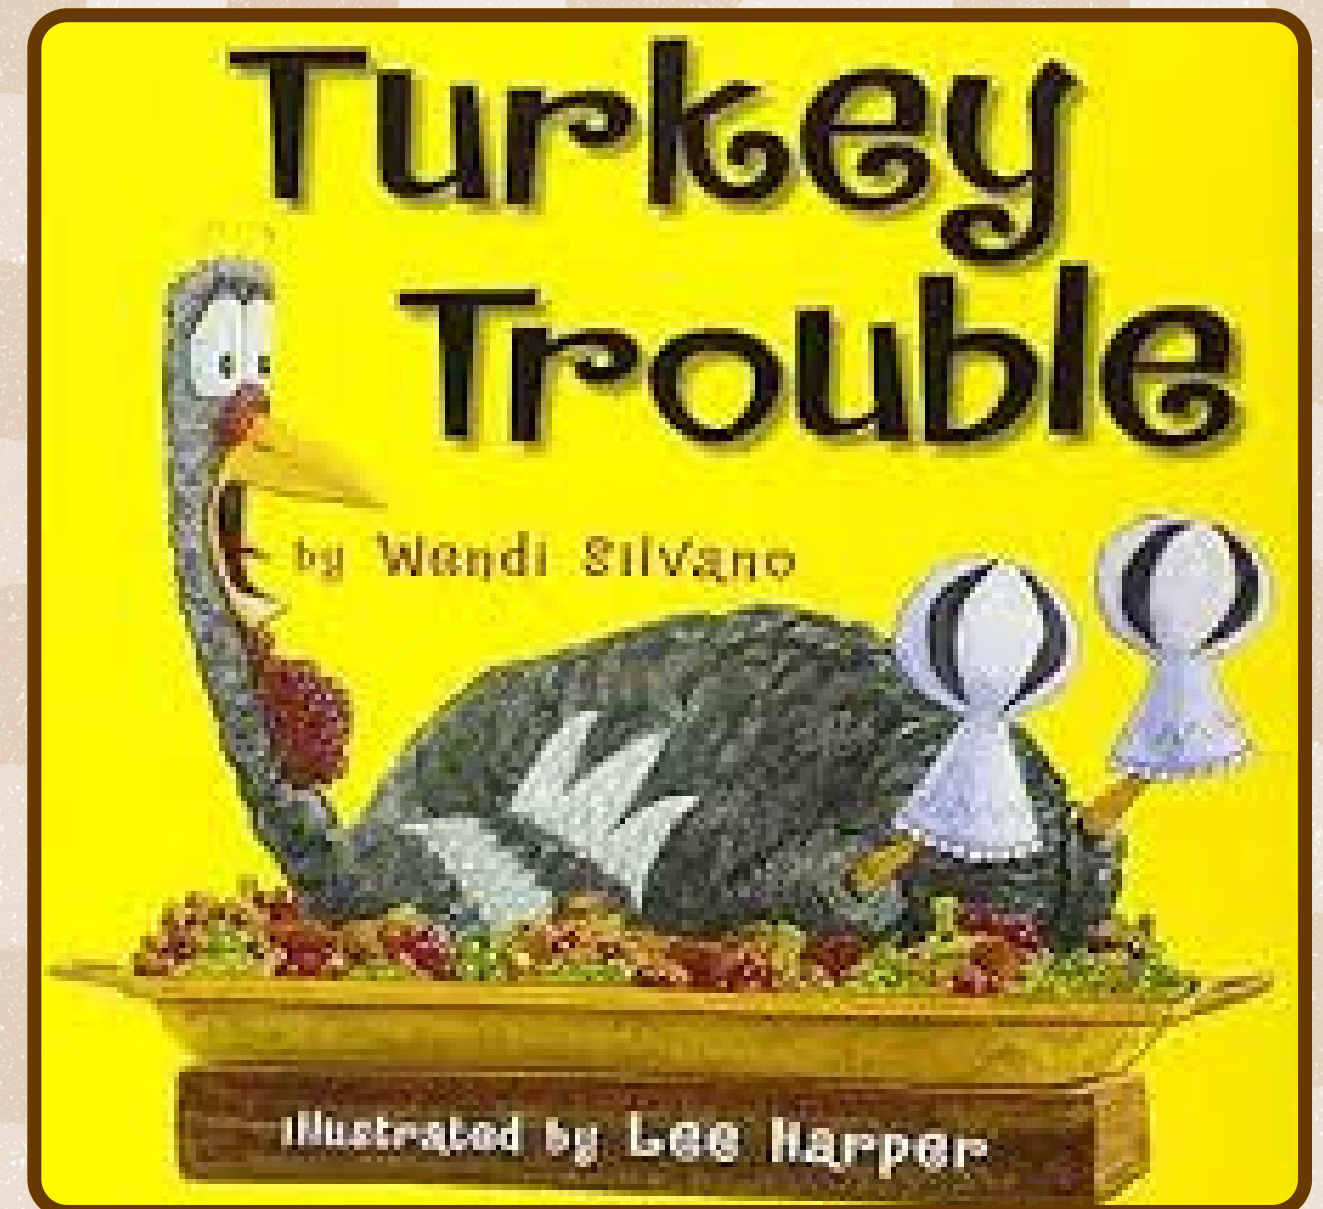

Room 113

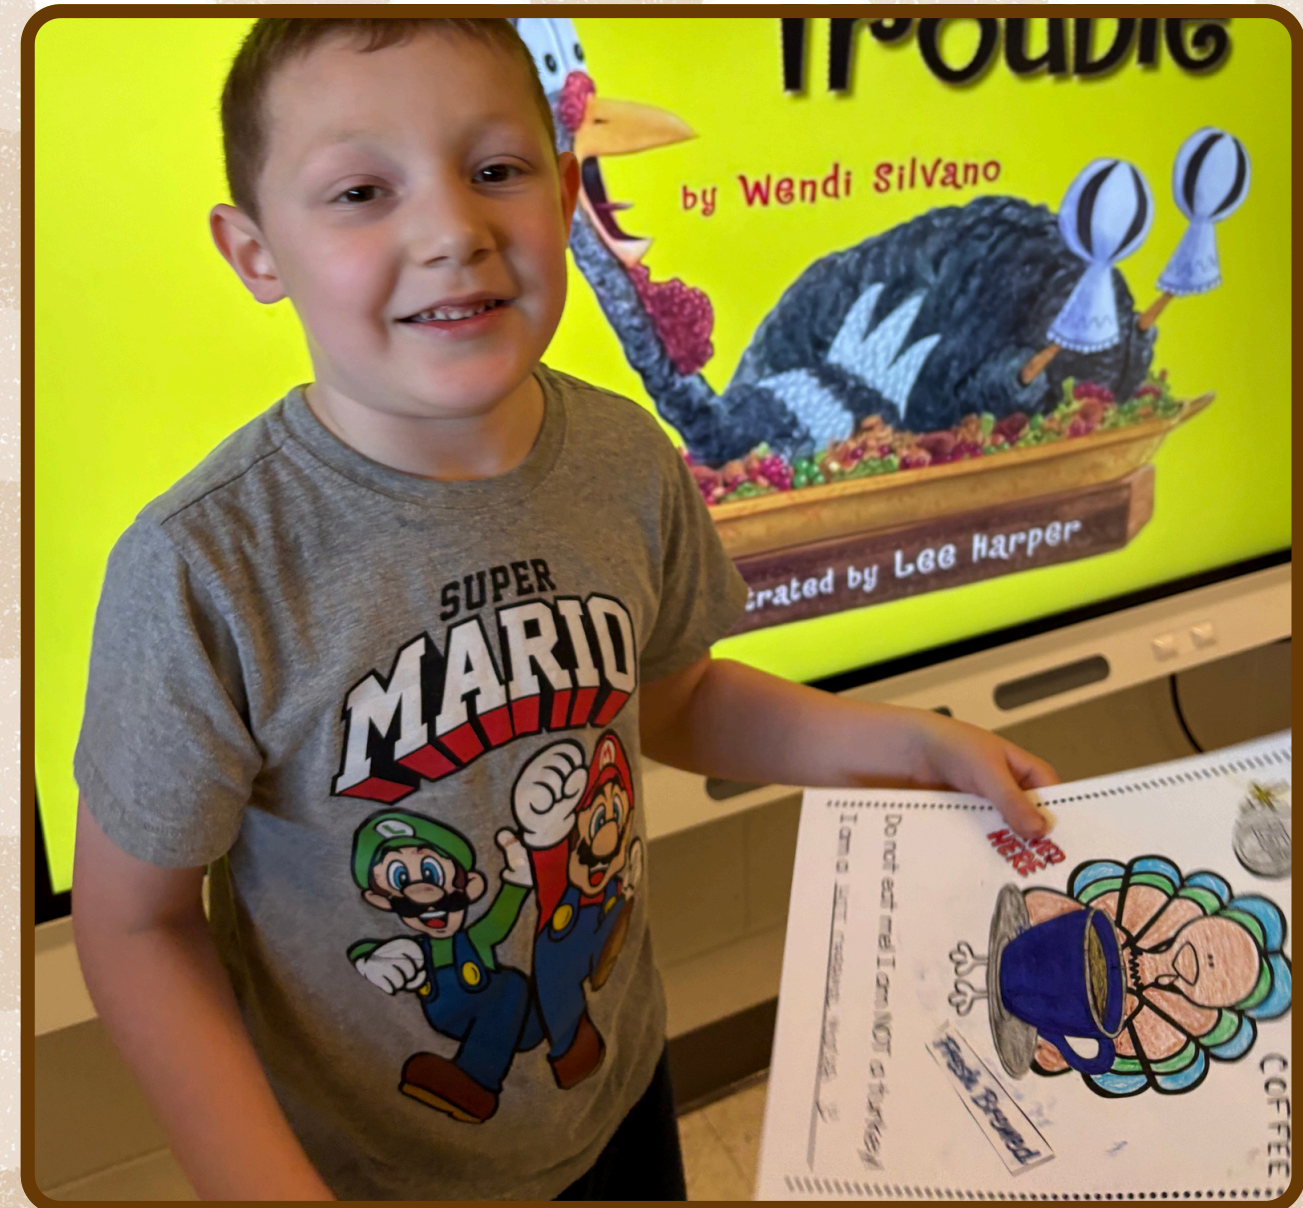

Turkey Trouble

Turkey Trouble is a story about a clever turkey who tries to avoid being eaten for Thanksgiving. He disguises himself as different farm animals so the farmer won't recognize him. Even though some disguises don't work, he keeps trying until he finds a way to stay safe.

Our students worked with their families at home to create their own turkey disguises—and they were super proud to present their disguised turkey!
