

SEPTEMBER

Special Classes

The students were so excited to see Ms. Alli at CHIME music class on Tuesday. They all did a great job participating and playing the instruments to the beat. Yoga class will begin next Wednesday with Ms. Ms. Rita and Ms. Caitlin. We will have CHIME and Yoga every week!

Author of the Month

This month, we will begin learning about the author, David Shannon. The students will listen to many books about his famous character... David, along with many other books he has written. We will discuss the similarities and differences between each book we read, and the students will decide which book they liked the most.

Monthly Focus

This month we will be focusing on Our Five Senses, All About Me, and Seasons and Weather. The students will present their All About Me posters to the class. The students and teachers will get to ask questions to learn more about our friends.

We will begin working in small groups on our reading and math skills, and we will be celebrating Hispanic Heritage Month!
