

Room 111

SEPTEMBER

What We're Talking About!

Can you believe we have been in school for two weeks? Our Preschoolers are making an incredible transition into our full day classroom. Everyone is enjoying the day and having a blast in specials, small group and classroom explorations.

This month we will be learning about sports, transportation, construction and apples! Make sure to look at our classroom web page to see what we have been up to.

Please check your students backpack daily. We send classroom correspondence frequently.

Letter of the Week

9/4 - T
9/11 - T
