What We're Talking About

Routines, Routines, Routines!

This month is all about back to school and what it means to be in Kindergarten.

Transitioning from PreK (½ day for many of our friends) to full day Kindergarten is a BIG change!

We will be doing a lot of practice with our daily schedule, morning meeting, small groups, and so much more! Don't be surprised if your student needs a quick cat nap in the afternoon! Our days are full of a lot of fun and learning.

Every week we will have a letter, number and shape that we focus on. They will rotate every two weeks. Second semester we will have a new letter, number, and shape every week.

This month we will be exploring transportation, trees, teachers, teddy bears, nests, night, nurses and nature!

Please check your students backpack daily. We send homework and classroom correspondence frequently. We go outside everyday as long as the temperature is 40 or above. Please send your student with weather appropriate clothing.
