

February 2024

What's New in 112?

Friendly Reminders:

*Please send extra shoes with your child, if he/she will be wearing boots to school. It is very difficult for our little ones to walk around in boots all morning/afternoon and they also leave water and mud throughout our classroom.

*Please check your child's backpack daily and return any forms that require your signature! Thank you!

VALENTINE'S DAY

On Valentine's Day, we will have a party in the classroom!

You are welcome to send Valentine's treats in for the class. Please see the attached flyer for more information.

Make sure to leave Valentines **unlabeled.** (No names)

- *February 19: President's Day
NO SCHOOL!

WHAT WE'RE EXCITED ABOUT...

January flew by in 112! We had a great time learning about Bears, Ice, Snow and Dinosaurs. We are so excited to spend an extra week studying the letter D and exploring Dinosaurs. We have already explored a dinosaur sensory bin, made dinosaur crafts, did some dino rhyming and learned some crazy dino facts! We especially enjoyed the dinosaur room at the Chicago Children's Museum. We will continue to learn about dinosaurs for one more week. Then this month we will explore underground animals, volcanos, vegetables, and living things vs. nonliving things. Make sure to check our classroom website and see what we have been up to!
