### Shape of the Week

10/3: Rectangle  
10/10: Rectangle  
10/17: Star  
10/24: Star

### What's New?

Wow! September flew by! We have been in school for 6 weeks! The students of 112 have been working hard every day learning the routine and daily expectations. They are doing a wonderful job and we are so proud of their focus. This month we will be exploring. Habitats, Halloween, Hibernation, Hats, Nests, Night, Nurses. We will also learn about Fire Safety during Fire Safety Week. We will be visited by a fire safety expert to teach us all things fire safety.

**Parent teacher conference are at the end of October. Look out for a digital sign up sheet mid October.**

### Field Trips

October will be a busy month! We have two field trips! First to Johansen's Farm on 10/12 where we will be learning about all things Farm! The animals, the plants and different characteristics of fall. This field trip will take most of the day and we will bring packed lunches.

We will also have a walking field trip to the clearing library. Librarian Kim will give us a tour and if you fill out a library application they will get their library card. If you already have a library card send it with your child and they can check out books.

Each Permission slips will be sent out separately this month. There will also be info sheets sent out with each field trip. We are very excited!
