About the Author

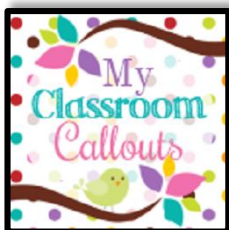

Hi! thank you for stopping by my TpT Store! I have been teaching in Texas for over 20 years. I started my teaching career in first grade. After 3 years I moved to third grade and taught there for about 12 years. Then, I went back to first grade for 6 years. This year, I am on a new adventure as an ESL Specialist. I can truly say that I can not choose which one I like best. They are all very special to me! Teaching is a hard job and seems to get harder every year. To keep my passion alive, I love to create products that are Super Fun but still ENGAGING for kids. So much of the fun has been sucked out of teaching..... We've got to find ways for littles to still love school!

On a more personal note, I live in Katy, Texas. I am married and have 2 grown children. I like to travel, cook, garden and CREATE! I also do crafts with my Silhouette Machine.

I hope you enjoy My TpT Store.

Please leave feedback and let me know how I'm doin'!
