

# Vegetable Garden

## Summer Camp Series

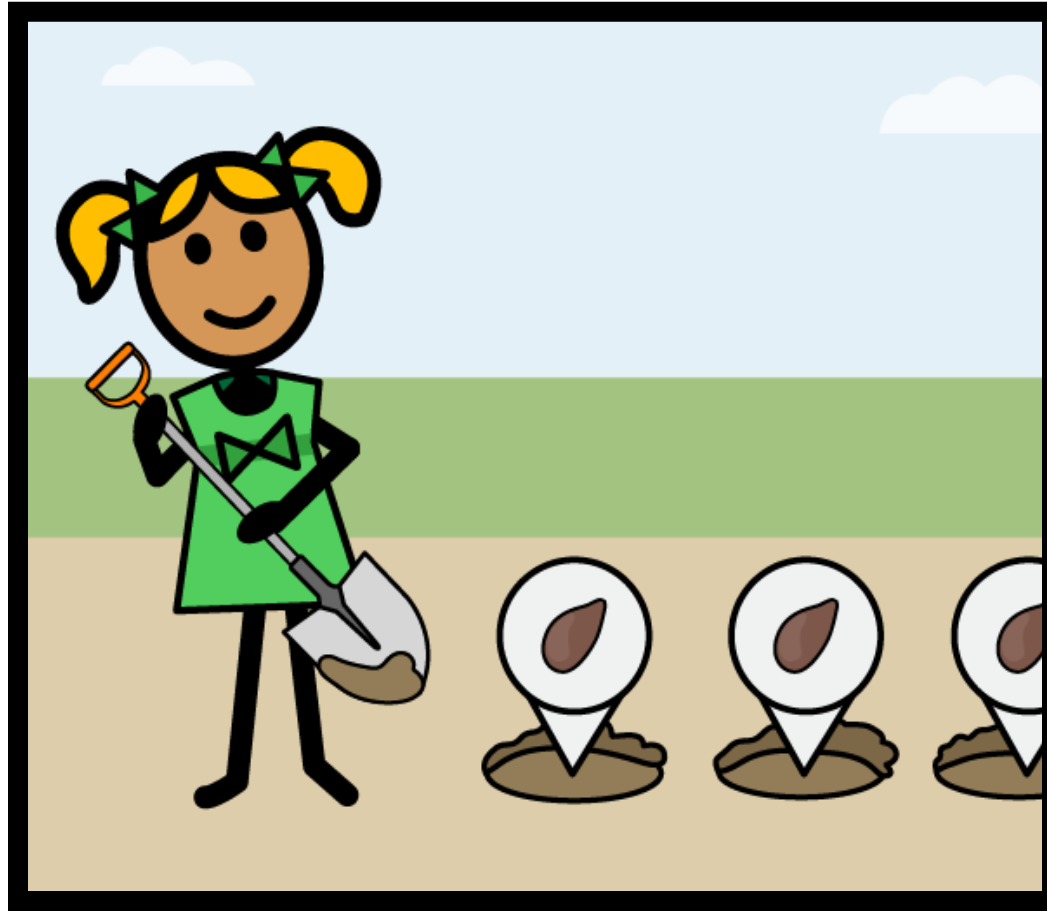

### Level D

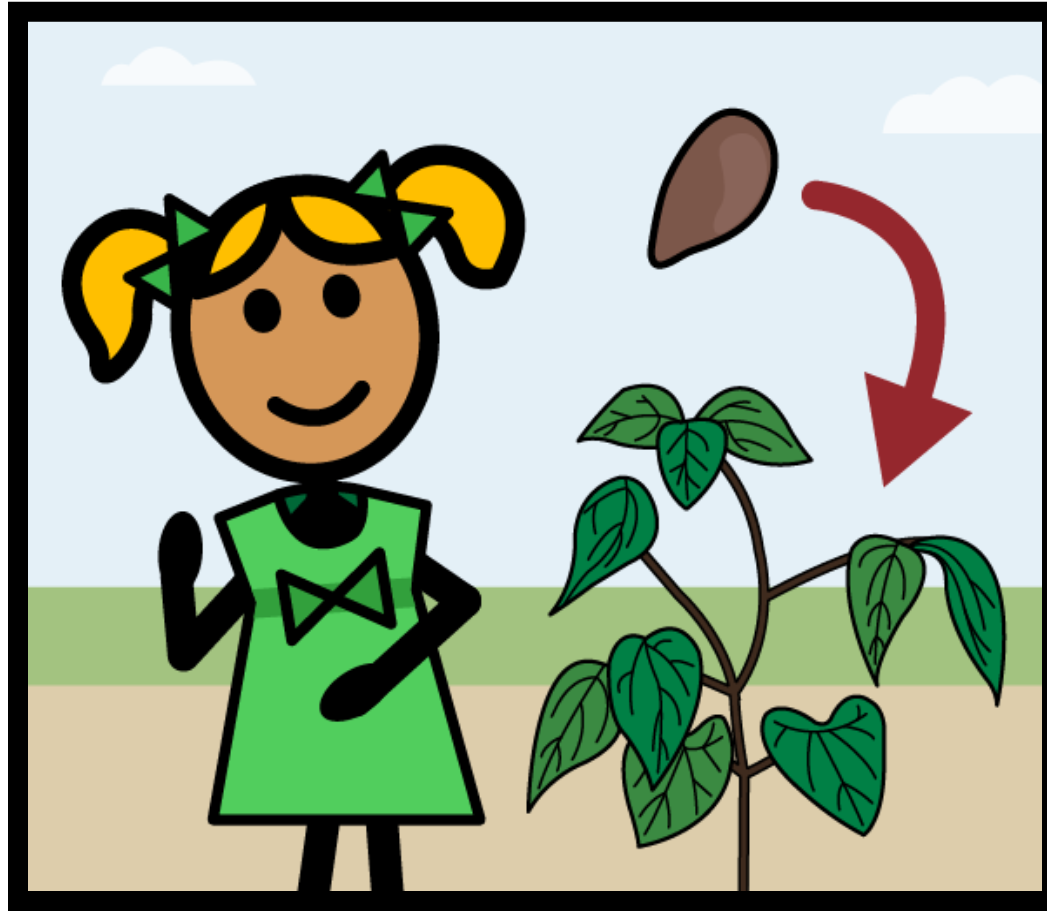

**Written and Illustrated by Travis Schaeffer**

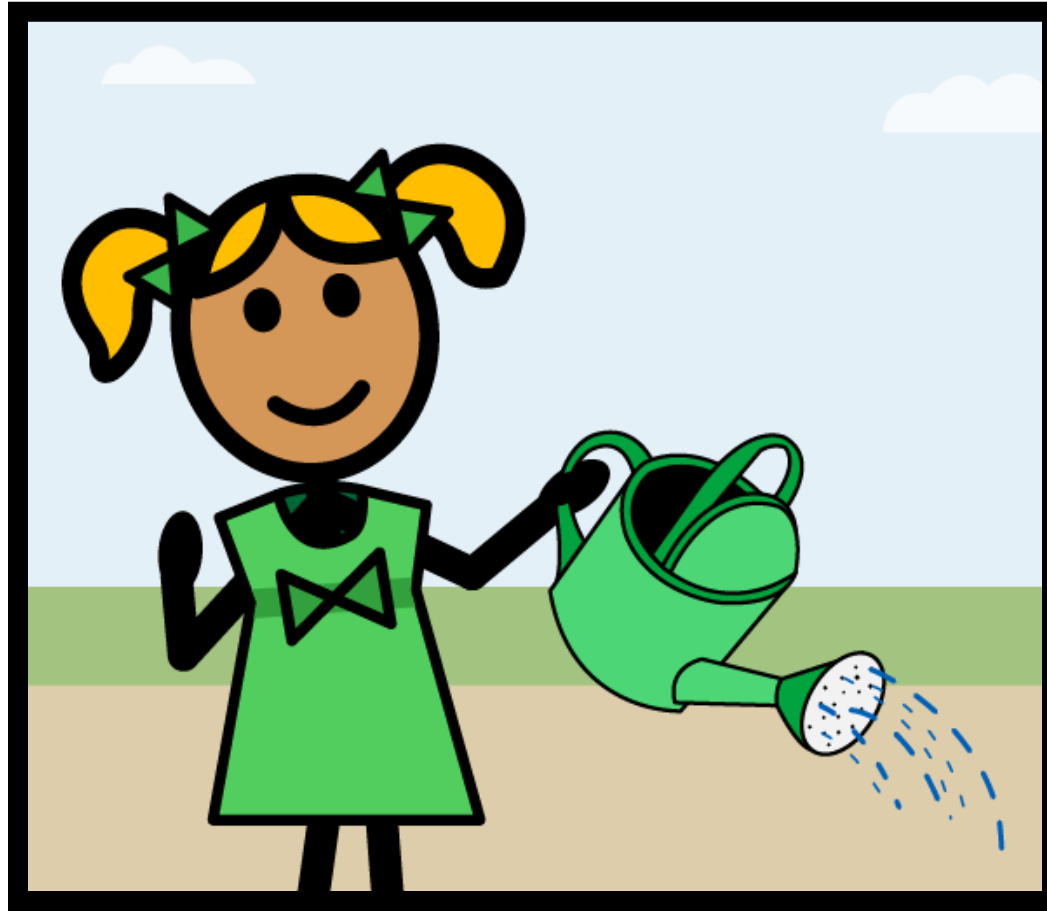

**Tracy is at camp for the summer.  
She wants to earn the Gardening badge.  
She decides to start a vegetable garden.**

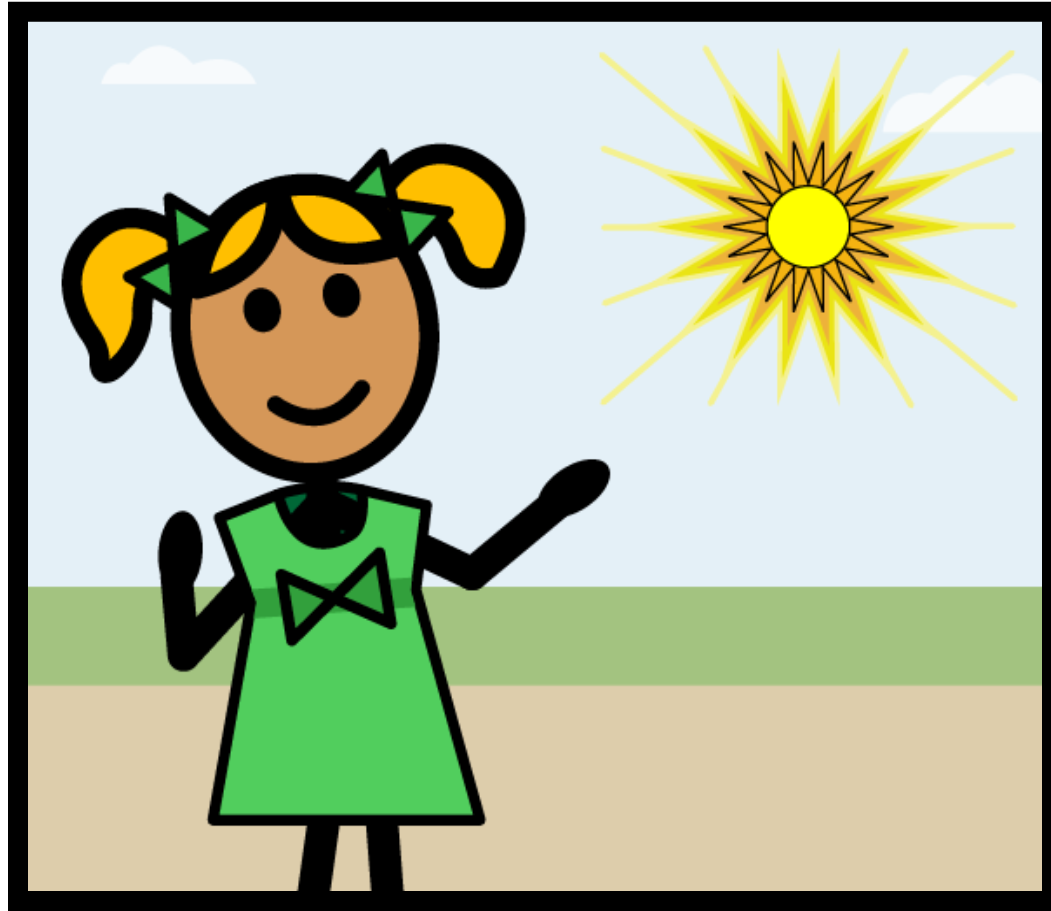

**Tracy digs many small holes in the ground.  
She drops one seed into each hole.  
She covers each seed with dirt.**

**Tracy must wait for the seeds to grow.  
The seeds will grow into a plant.  
Tracy must take care of her garden.**

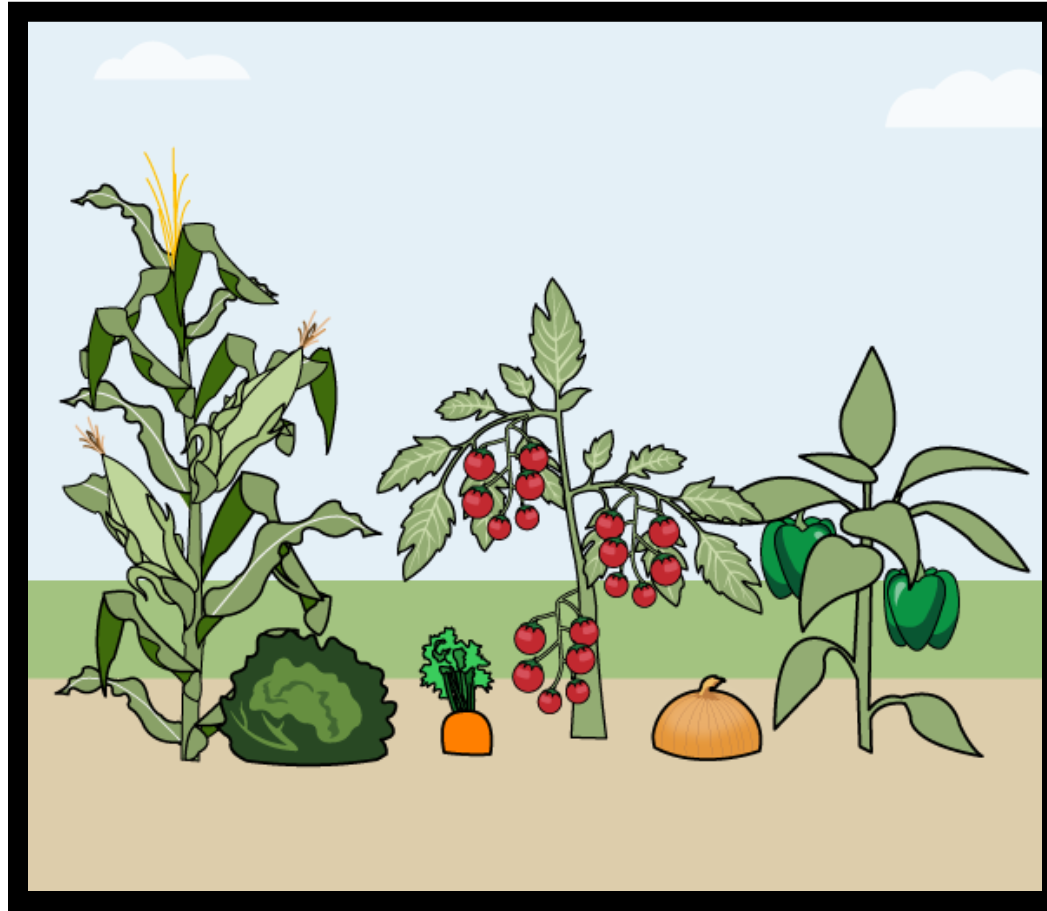

**Tracy must give her garden water.  
Water will help her plants grow.**

**Tracy must give her garden sunlight.  
Sunlight will help her plants grow.**

**Tracy must pull weeds out of her garden.  
Pulling weeds will help her plants grow.**

**The plants begin to grow.**

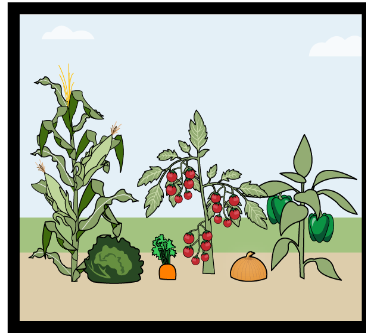

**They grow bigger and taller.**

**They grow different kinds of vegetables.**

**Tracy grew a vegetable garden.  
Tracy has earned the gardening badge.**

# The End

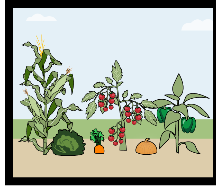

# Gardening Badge

---

**Cut out and use the gardening badge in this book as a badge that can be earned at your summer camp or in your classroom.**
